I am a student at SUNY Geneseo looking for an internship in an EHS position. I plan to attend graduate school for Environmental Public Health and seek a career Environmental Health and Safety.

Willing to relocate to: Lockport, NY - Amherst, NY - Pendleton, NY

Authorized to work in the US for any employer

## Work Experience

---

### **EMT Attendant**

SUNY Geneseo First Response - Geneseo, NY

August 2022 to Present

Use communication skills to convey information to others. Perform high quality patient care on students in need. Document detailed patient care reports. Work closely with Livingston County Paramedics and University Police Department Officers. Assist with planning and organization of special events or programs.

### **Sales Associate**

Dollar General - Lockport, NY

June 2022 to Present

Operate cash register to process sales transactions and handle payments. Stock shelves and handle store merchandise. Communicate with customers.

### **Research Assistant**

SUNY Geneseo Psychology Department - Geneseo, NY

January 2023 to May 2023

Planned and conducted research alongside psychology professors and other students at SUNY Geneseo. Presented research at "Geneseo Recognizing Excellence, Achievement, and Talent" (GREAT) Day.

### **EMT Intern**

Livingston County EMS - Mount Morris, NY

August 2022 to December 2022

Evaluated patient vital signs and status to determine care needs using pulse oximeters and vital sign tools. Assisted patients receiving care from LCEMS and Noise Hospital. Learned and exhibited the skills needed to become a certified EMT-B in New York State.

### **Eagle Scout Project Leader**

Boy Scouts of America - Pendleton, NY

May 2020 to June 2020

Provided clear instruction to activity and program participants. Planned and organized equipment, tools, and materials in order to execute the project. Gathered and maintained all recreational equipment.
